

# EXHIBIT A.696

On January 1, 2013, Fatah celebrated "Launch Day," commemorating the 48th anniversary of Fatah's first terror attack. Next to a picture glorifying violence, the page administrator mentions a number of facts about Fatah history that present murderous terror attacks as glorious and heroic, among them:

"Did you know? The first female Martyrdom-seeker to carry out a military operation in the Palestinian Intifada functioned under the command of the Al-Aqsa Martyrs' Brigade. It was carried out by Wafa Idris, who was the first girl to carry out a Martyrdom-seeking operation in the Al-Aqsa Intifada."
